NO. 50

Is Governor Roberts a Candidate! [Sherman Courier.] It will be noticed in Governor Roberts' recent letter to the Austin STATESMAN there is nothing showfor re-election to the office of governor. So far from this, a careful perusal of the artiully framed and droitly worded document, will convince the reader that nothing would be more pleasing to the Old Alcalde's heart than a nomination for a third term. Nowhere does he positively decline to run; nowhere does he strenuously insist that his friends shall not use his name in connection with the gover-

bring discord in the Democratic ranks, and equally as mildly expresses the hope that partial friends gubernatorial honors. That his letter may not be misconstrued, that its meaning, though hidden, may found out, it with the intimation so broad that it amounts almost to an absolute declaration, that if there give him a cabinet office or foreign is unanimity enough on the part of the delegates to nominate him there will be magnanimity enough on his part for him to forego his resolution of retiring from public life and to again accept the duties and reconsibilities of the governorship. We remember General Grant and what he said about running for a by

third term, and the utterances of Roberts have much ances of that other man who has ever been ready to answer the call of the people with a Here, Lord, am I." Governor Roberts' letter, boiled down, means this and nothing more: That if his "partial friends" think there is secure his nomination at the Galveston convention to count him in; if there is not that unanimity, then count him out. His attack upon the Galveston News is but a political makeshift, to raise the cry of newspaper persecution and make him

How the Republicans Carried the Last Presidential Election.

FACTS OF HISTORY.

A correspondent writes to the Chicago Evening Journal as follows:

Some of the hitherto unpublished

facts of history are these: In the fall of 1880 the country was startled by the announcement that the Fusion ticket had been elected in Maine. Almost universal demoralization took hold upon the Republican party. A stampede was threatened odd's upon Hancock's election were offered and grew larger day by day. some means for checking the pan All eyes turned toward Ohio and Indiana, and every one agreed that the loss of these states in the October election meant the certain defeat national Republican committee found that the disaster to Maine played havoc with their finances. The capitalists and great mon-eyed corporations of the country have but one plank in their political platform, viz., a resolution to always upport the winning side. When the fortunes of the Democracy began to rise and the Republicans to fall, contributions to Governor Jewell's was threatened. It was General Garfield who hit upon the plan that saved the party. After making a contract with Levi P. Morton to Bliss & Co. would start the subscrip tion with something handsome; he called on Whitelaw Reid and arranged a scheme for securing help nates of Wall street. Upon the stat books was a law passed the forty-sixth congress 1878. provided for the establishment of a

for the purpose of extinguishing their indebtedness to the govern ment. This act was contested by the corporations, and the decision of the supreme court was regared by them with great concern. Fortunately manimity of sentiment enough to for General Garfield's plan, he as member of the lower house, had opstitutionality, and had stepped into a corridor while the vote was being taken, so that his name did not appear upon the roll. It was very easy, therefore, for him to come Whitelaw Reid to say to Mr. Gould that if a purse could be raised to help the party in Ohio and Indians, he would cheerfully, when elected pres-[Nasby, in Toledo Blade.] would cheerfully, when elected pron God's image, having the power to supreme bench a judge who would hink, to reason and to act, could votethe Thurman act unconstitution ive, even exist, in such a hovel, was al.
